Mr. Morton: We are property owners @ Mountain Brook Village and are concerned about the rate hikes. I guess I am far more concerned with the promises not being kept than I am with the rate increase. The rate increase is disturbing of course, but I like doing business with companies who do what they say they will do. Do you have any further news of this situation since the March 28 meeting. I was not able to attend the meeting.
Thank you. Patty Smith
